

*Askew Wildlife Management Area*  
**Hunting and fishing regulations**

All state hunting and fishing regulations apply to the Askew Wildlife Management Area and are to be regularly enforced by the Conservation Officers of the MDWFP. IN ADDITION TO STATE AND FEDERAL REGULATIONS, the Corps of Engineers-Arkabutla Lake have also included the following rules and regulations to be enforced by Corps Rangers:

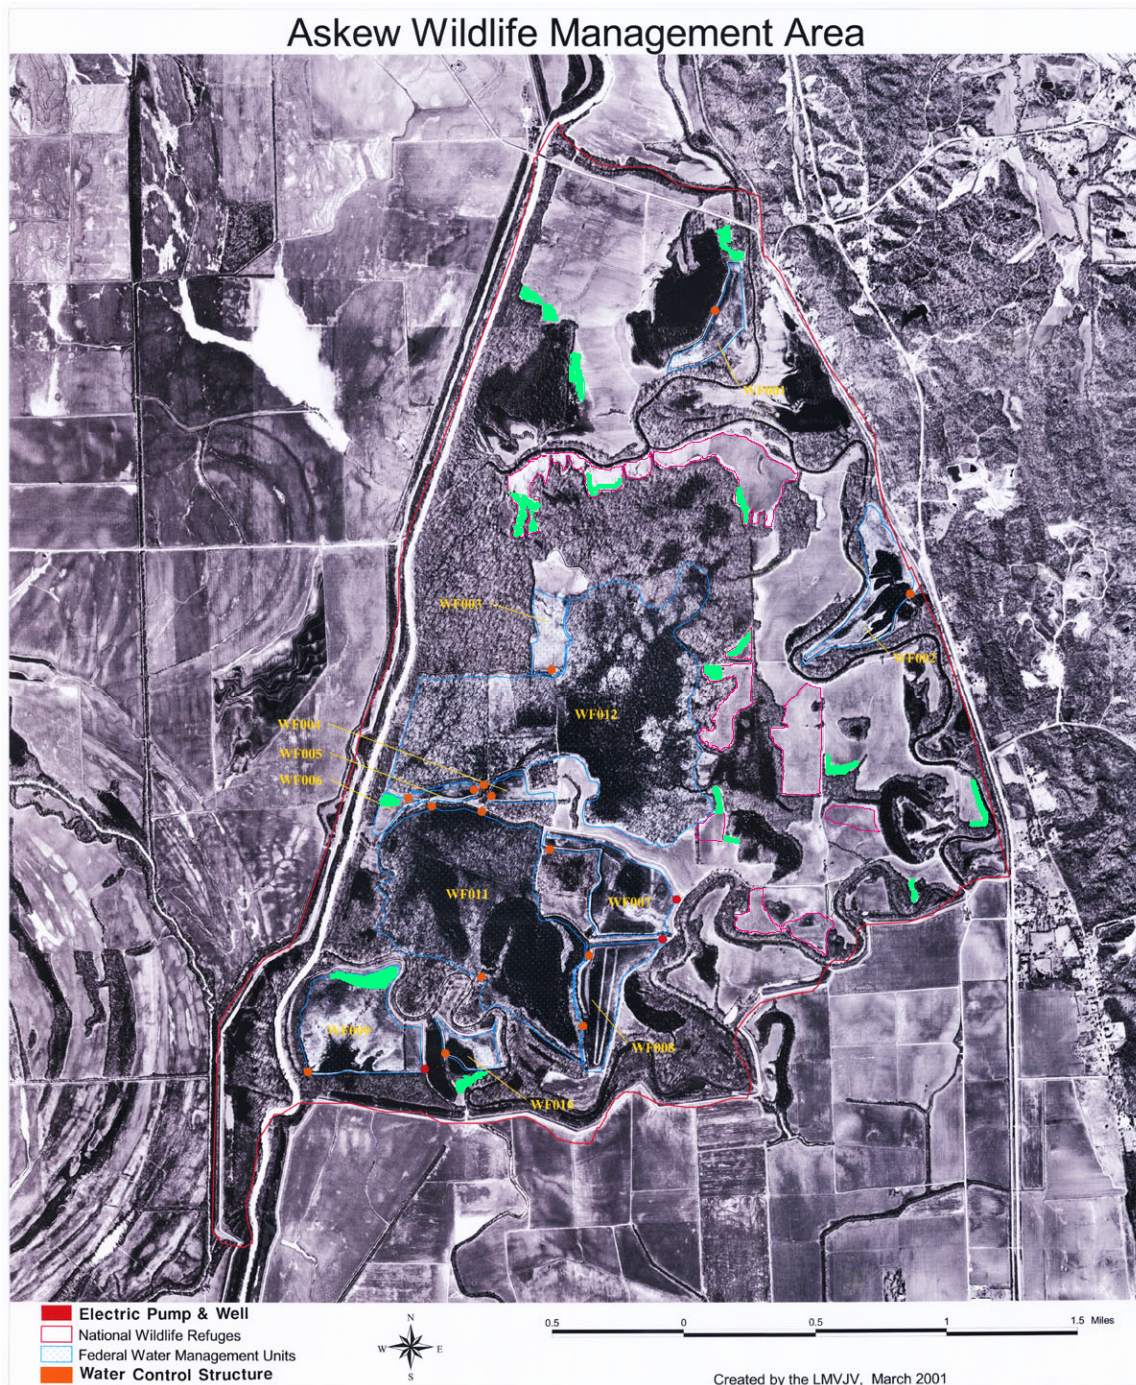

- No ATV's are allowed on the property, except for persons with a disability that have been granted the necessary permit.
- Vehicles are to remain on the gravel roads only.
- Area is closed to ALL hunting, fishing, and recreational activities on Tuesdays, Wednesdays, and Thursdays during the hunting seasons from 01 September to 10 March.
- Waterfowl hunting is allowed 30 minutes before sunrise to sunset only.
- The use of permanent blinds or stands is prohibited. Portable tree stands are permissible from 01 September to 01 March. Any stands found on the property after 01 March will be considered abandoned property and is subject to be removed or destroyed.
- Deer hunting with dogs is prohibited.
- Use of rifles is prohibited. Shotguns and primitive weapons are allowed.

ASKEW WILDLIFE MANAGEMENT AREA  
DEER AND FERAL HOG RETRIEVAL POLICY  
U. S. ARMY CORPS OF ENGINEERS  
VICKSBURG DISTRICT

1. Purpose. The purpose of this policy is to regulate the use of ATCs (All Terrain Cycles) for deer and feral hog retrieval in Askew Management Area in a manner that is fair to all deer and feral hog hunters.
2. Authority. This policy will be enforced under Title 36 Code of Federal Regulations, Part 327.2, 327.8(d) and 327.12(a). A violation of the provisions of this policy shall subject the violator to a fine of not more than \$500.00 or imprisonment for not more than 6 months or both.
3. Applicability. This policy applies to all areas within the boundaries of Askew Management Area. Persons with special permits may be exempt from this policy.
4. General.
  - a. ATCs may be used to retrieve a harvested deer and feral hogs.
  - b. ATCs shall remain loaded in the hunter's vehicle or trailer until deer or feral hog is harvested.
  - c. Upon harvesting of deer or feral hog, use the maintained gravel roads to drive as close to deer or hog as possible, unload ATC and drive ATC as directly to harvested deer or hog as possible, avoiding muddy areas, wet areas, food plots and MSMA's as much as possible; retrieve deer or hog and drive directly back to hunter's vehicle or trailer.
  - d. ATC shall be loaded into hunter's vehicle or trailer immediately upon returning to vehicle.
  - e. Hunters using this policy must wear a helmet and have an effective muffler on the ATC.
  - f. This policy is only in effect during deer and feral hog hunting season.
